Douglasdale School

School Digital Citizenship Plan | 2026-2027

Relevant contextual information about your school and School Development Plan:

- K-5 school serving the communities of Douglasdale, Douglas Glen, and Quarry Park
- School Development Plan Goal: Student achievement in writing will improve.

Relevant evidence and data that informs your Digital Citizenship Plan:

- Learners in kindergarten and grade one primarily use iPads and Smartboards as learning tools.
- Learners in grades two to five primarily use Chromebooks and Google Workspace as learning tools.
- All teachers maintain an online learning space, through Google Classroom

School Digital Citizenship Plan						**Progress**		
Long Term Goal (e.g. spanning 8-10 months)	**Competency** (may be chosen from the CBE DC Competencies)	**Short Term Goals** (in support of the long term goal)	**Outcomes**	**Activities & Resources**	**Measures**	**November**	**January**	**June**
Learners will understand the importance of protecting personal information online and apply appropriate strategies.	**Safe** I know how to protect my personal information online.	Students will understand the characteristics of a strong password and why it is important to have one.	Students will create an age-appropriate unique password to access CBE network / technology.	Targeted lessons on creating strong passwords.	All students in the school will have a unique, secure password to access CBE network / technology.			
		Students will understand the importance of keeping their passwords secure and private.	Students will keep their passwords private and keep password hints in a secure location.	Students will learn how to reset passwords using the Student Account Tool.	All students will keep their passwords private and know how to reset their passwords, as needed.			

Learners will develop skills using digital tools to support and enhance learning	**Involved** I leverage digital tools to learn, express my creativity and collaborate with others	Students will use Google tools to support and enhance their learning.	Students will understand how to use Google tools and make decisions on which tools will suit their learning needs.	Teachers will design tasks that incorporate Google tools. Targeted lessons on using different Google tools.	Students will use Google tools to engage in and demonstrate their learning. Increase in student advocacy for technology that aligns with the task and learning needs.			

Next Steps for the Coming School Year

- Parent Society has approved $20,000 to purchase new Chromebooks and iPads to replace devices that will be removed from the school inventory this year.
- Teachers will provide written notification of Use of Educational Technology to families, in compliance with Alberta Protection of Privacy Act and AR1061
